“ *Dearest Brother, Your passing away has left me in deep grief. I am full of sorry in my waking and in my sleep. I have no idea how to fill the void that you have created in my heart. May God open his arms to you and give you a very peaceful resting place. Bro Yaw, nanti yei.*

“ *Champ, you cannot imagine the emptiness you have left in the lives of your siblings. It's a shame we didn't get to spent much time together on earth. We'll meet one day in a much better place. May the Good Lord Bless and take care of you and grant you peace.*

“ To my Brother, Anthony Frederick Agyekum.

Yaw, all of us, your siblings and the entire Royal Kyidom family of Kokofu-Ashanti, Ghana, have been overwhelmed with deep grief at the news of your passing away in far away California. U.S.A. That you passed on all alone with none of us by your side to show how much we loved and cherished you makes our grief more excruciating.

Though you are gone you will forever remain alive in our hearts. In total obedience to this will we surrender you to the Almighty God who loaned you to us. And may your Patron Saint, Anthony of Padua and the Mediatrix of all Graces, Mother Mary, lead you to Her Son, our Lord and Saviour Jesus Christ, Amen.

*Fare thee well dear brother
Rest in the Lord, Champion, Yaw, Da Yie!!!!*

There will be a Memorial Mass for him on Sat. 2nd Feb., 2013 at 6:15 a.m. at the St. Margaret-Mary Catholic Church, Dansoman, Accra, Ghana.

“ A part of me died. Anthony till we meet again, for you your favorite song. Say hi to Paa and Sylvester. May you rest in perfect peace.

*"Daniel (Anthony) is travelling tonight on a plane
I can see the red tail lights heading for Spain (Heaven)
Oh and I can see Anthony waving goodbye
God it looks like Anthony, must be the clouds in my eyes
They say Heaven is pretty though I've never been
Well Anthony says it's the best place that he's ever seen
Oh and he should know, he's been there enough
Lord I miss Anthony, oh I miss him so much
Anthony my brother you are older than me
Do you still feel the pain of the scars that won't heal
Your eyes have died but you see more than I
Anthony you're a star in the face of the sky
Anthony is travelling tonight on a plane
I can see the red tail lights heading for Heaven
Oh and I can see Anthony waving goodbye
God it looks like Anthony, must be the clouds in my eyes
Oh God it looks like Anthony, must be the clouds in my eyes"*
