“ *Carolyn was a very special lady with a beautiful smile and gentle nature. Her humility and care for others were an inspiration to me. Over the years, I remember receiving many cards from Carolyn. She was always positive, encouraging, sincere, loyal, and loved her family greatly. She will long live in my memory and heart. Michelle Lee*

“ Carolyn was born and raised in San Leandro California where she attended James Garfield elementary John Muir High and Pacific High School. It was here in kindergarten when she began a friendship with Joanne Bozic-Reamer that would last a lifetime. In fact throughout the years Joanne (Living in Idaho) would call Carolyn every evening at a set time to chat about their day. It was a call that Carolyn eagerly looked forward to getting.
