

Darwin R. Andrade

March 24, 2018

Daughter Shelly Andrade, grandson Ryan Andrade, sister Anita Deppner (Jim), nephew Darryl Smith, niece Deborah van Sprakelaar (Gertjan) and his dog Max, an 8 year old lab.

Predeceased by his parents Ray and Joyce Andrade and by his brother Daryl Andrade.

Darwin was in the Army then enjoyed working for the Alameda County for 10 years, and for the City of Fremont as the Field Supervisor for 17 years.

Darwin was very loving. 🐾 🤍 His grandson Ryan enjoyed playing the drums on his grandpa's belly. Darwin was a friend to all, and enjoyed being involved in the lives of those he cared about.

He knew how to reach out and keep in touch. Life is so quiet without his phone calls. He will be remembered for all his short telephone calls asking how we were doing.

Darwin always made friends and family very happy by being around them and it made him very happy too. He was humorous and he liked to do things "his way"!

In his earlier days, he liked to fish and hunt. Darwin spoiled his daughter throughout her years and it felt so good to her to do the same in return to him as an adult. ♡ Later in his life instead of The Three Amigos it was the three Andrade's, Dad, Ryan and Shelly.
