“ To my best friend Jeannie and family~ My heart is heavy..yet i smile at all the memories i will cherish forever!! I am sending prayers and hugs. I am blessed that you and Dave made me and my son Christian part of your family. I will treasure every second and so glad that we stayed in touch over the years and many miles. Dave made me laugh so much, right up until 2 weeks ago when we were on the phone and he was busting my chops in the background, as always! Love him so much...love all of you. He will now get to teach David how to fish...and will be your guardian Angel. I know my Dad will want to meet him and they will be great buddies. And they both like the cheap beer :) May God and the wonderful memories comfort you now and always. I love and miss you tons.....even if I can't be there in person, I am with you always. God bless you all. Love, Alyson (Bower)
