“ So sad and shocked at the news of Diane's passing. I am so glad I got to meet Diane and Frank in August last year and will always remember her spirit and her love of her family and cheerful personality. She was a warm and loving woman and a wonderful mother, wife, and grandmother! I am so sorry. Sad, sad news....

“ My happy memory of Diane was when our children were small and attending Niles Elementary school. She was such an involved mom and we often hung out together with the kids during lunch time when I helped with yard duty. She absolutely loved her boys like nothing else!!!! Lately I've seen beautiful face book postings of her and her grandchildren, all together surrounded by the most delicious looking food. She had so much love for her family. You only had to meet her for a moment to know that about her.

“ I just recently found Diane on Facebook and I am saddened by your loss. I went to school with Diane and we have touched base a few times over the years. I know she loved her family above all else. My thoughts and prayers go out to her husband and family.
