“ *Aunti Dianne taught me a lot about life and how to survive it. She taught me how to swim and how to have manners. How to be always grateful for everything in my life because it is all precious. She will be missed and always loved.*

“ *I didn't know Dianne well, but was close to Ronnie, and am close with Roger and Aimee. Ronnie had a heart of gold, good manners and an optimistic, caring nature. Roger and Aimee share those qualities. These qualities are result of the influence Dianne had in their lives. I'm told she was a good lady. May she rest in peace and my sympathies to the family.....*
