“ It's hard to see the keyboard through my tears. Just when I think I'm done crying..well, enough about me! I know you had plans. I realize this is not the way you had in mind to accomplish them, but achieve them ALL you now have. Relax and enjoy! Bask in the love of those you've left behind. Know that I miss you daily. No one will ever replace my best friend.

Family, you are in my heart, thoughts and prayers, now, and every day.
