“ *Shaking his hand to say goodbye was always a pleasure I can't really explain because he was the kind of person that I wanted to listen to just for a few more minutes. It wasn't what he said it was the way he said it. All I can say is talking to Ed was an experience of being entertained. He was a beautiful man who would just warm your heart. It was a true gift to have known him. We will miss his beautiful way of sharing time with people.*
