“ Mom's(Beatrice Lopez) cannery partner. My youthful years remembering mom being picked up by you to head out for the seasonal Hunts Cannery work. You were not only coworkers, but neighbors and good friends. Just the other day she spoke of her visit with you and you recognized her, made her feel happy that you knew who she was. Myself, you always remembered us her children and so lovingly greeted us as if family, Cheerful ,boisterous laugh. May you have peace and tranquility in your new life.
