

## Ethan En"

February 13, 2007 - March 7, 2012

Ethan is a happy 5 year old boy who lived a great life. He lived with his mommy and daddy in Fremont where he was loved. He was diagnosed with Pompe Disease when he was 4 months. Ever since, he has been undergoing treatments and infusions to live with his disease. No matter how much pain, hospitals and scary moments, Ethan was a brave little boy. He was not strong physically, but very strong in spirit. Everyone has been touched by this little boy. He loved to praise the Lord and sing songs. He was kind to everyone. He loved his cars and toys. He is special little guy. Through him, many will come to the Lord. He has saved so many souls. Everyday was a blessing with him. We lived with no regrets. Ethan will be missed greatly, but we know that this is Gods plan. He is healed! He can now run and eat as much as he wants, and now he can fly! Ethan loves speed. We will unite with him again in heaven. We loved him so much, and we will continue to love him forever.

*From Becka:*

*Ethan we love you, may you rest in peace. You are a warrior who fought this awful disease. I know you are dancing and running today as we celebrate your life. Thank you for the time we had with you and for fighting as hard as you could. Xoxo*

*Dawn Harris Kendall:*

*Grace and peace to all who were touched by this warrior.*

*Heather Saffren-Bloom: Sending you and his family and friends lots of love and hugs today.*

*Annette Bolton:*

*Ethan touched my heart even though I never met him, and I was saddened to hear of his passing...?? and hugs.*

*Judy McGann:*

*Hard to wrap around his passing. I hope his sword fighting opponent is worthy of his joy at running free..*

*Karen Kacures Another Pompe angel looking down from heaven on us, prayers to all that we're touched by his life and courage! So sorry for the loss.*

*Shelley Goodell Reeser :*

*So sorry for the loss of your warrior friend! Hugs to you and prayers sent for your family and theirs!*

*Sarah Daddysgirl Williams: R.I.P Ethan have fun up there little man we will continue to fight and pray for a cure in your memory and others sleep tight x x x x x*

*Francesco Storia Di Tutti i malati di Pompe ed i loro familiari piangono la morte del piccolo Ethan. Ma ora tra gli angeli del cielo,*

*finito di soffrire, potrai proteggere i tuoi amici di Pompe. Grazie "Angelo" Ethan.*

*Christine Stinson: Remembering Ethan xoxoxo*

*Lena Hanna:*

*Send my love to Ethan's family. They are more than welcome to message me if they need anything. I know it's hard, there isn't a day that goes by that we don't think of Cameron. I know Ethan was an amazing boy and made an impact on a lot of people, now his memory will help other kids with this horrible disease, his strength and appreciation for life will be known. An angel will join the many other beautiful children, now without any more pain.*

*John W. White:*

*For Ethan's Family, I feel your pain and sadness - from one who lost a Grand Child - Coral to Pompe, When God calls little children to dwell with Him above,  
we mortals sometimes question the wisdom of His love.  
For no heartache compares with the death of one small child, who does so much to make our world seem wonderful and mild.  
Perhaps God tires of calling the aged to His world, so He picks a rosebud before it can grow old.  
God knows how much we need them, so He takes but a few, to make the land of Heaven more beautiful to view.  
Believing this is difficult, still somehow we must try, the saddest word mankind knows will always be ?goodbye.?  
So when a little child departs, we who are left behind, must realize God loves children . . . . Angels are hard to find.*

*Megan Fugate:*

*So heart breaking....*

“ For Grace and David - as we get together today to celebrate the life of Ethan, I found this poem that I can just hear Ethan saying to you:

*"Daddy please don't look so sad, mamma please don't cry.  
Cause I'm in the arms of Jesus, and he sings me lullabies.  
Please try not to question God, don't think he is unkind.  
... Don't think he sent me to you and then changed his mind.  
You see I'm a special child, I am needed up above.  
I'm the special gift you gave Him, a product of your love.  
I'll always be there with you, so watch the sky at night.  
Look for the brightest star and know that's my halo's brilliant light.  
You'll see me in the morning frost that mists your window pane.  
That's me in the summer showers, I'll be dancing in the rain.  
When you feel a gentle breeze from a gentle wind that blows.  
Know that it's me planting a kiss upon your nose.  
When you see a child playing and your heart feels a tug,  
Don't be sad mommy, that's just me giving your heart a hug.  
So daddy don't look so sad and mamma please don't cry.  
I'm in the arms of Jesus and he sings me lullabies!*

*Ethan was blessed to have such wonderful parents. While his life was too short, you helped Ethan live it to the fullest. Thank you again for sharing Ethan with us. He will always have a special place in my heart. Much love to you both. ~Pattie Hurd*

“ Ethan, our grandnephew, will delight our memories and warm our hearts forever. It was such a delight to hold him ? all 20 inches & 7 lbs in our arms 5 years ago. Instantly he became our rose, living in our heart. From that moment, our hearts followed his smiles, movements, and progresses?? We remember: his warm hand touched our hands to give us a big 5; his sweet kisses pressed on our dog, Biscuit?s nose; his made up singing ?uncle Bob, uncle Bob??.? made us laugh; his ?pretend? upset with arms crossed and eyes sneered won our heart; his tender scolding ?uncle, you missed my 4th birthday reminded us ?Ethan has an elephant memory?; his obsessing with the PLAYMOBIL pirate ship delighted us to buy him more toys. We remember all these and many others. We will always love and miss him ? our little angel.
