Most of all she loved teaching her many students and spending quality time with her family and friends. Spending time with her eight grandchildren brought her so much pleasure and pride. The happy times we had with Fay will always be in our memories. We feel so fortunate to have had her in our lives as our mom, friend, and teacher.

“ Sending much love to Fay's children and their families, from Barbara (Bobbi Del Pino) Ebert and family. Fay was the funny, charming heart of this big, whacky (in a good way!) Miles clan. It was always such a lively and endlessly entertaining experience just walking through the front door and into that bustling, busy house on Troy! Great memories I will always cherish.
