AN

Tia Frances, "a very elegant lady." :D

Our darling aunt, sister, mother, grandmother. A beloved aunt to me, you always made me feel loved. I miss you so much already and will not forget you: your wonderful humor, laughter, and smiles; how you stood up for your opinion; the delicious meals you happily cooked for us; your wonderful cards and letters with family photos that you mailed so faithfully with care & love; the parties, the memories, all focused on la familia. We will take care of each other knowing that so many of our family have welcomed you and you are not alone. Watch over me, watch over us all. We will see you again. "Hugs and kisses" always, your loving niece, Angel.
