“ *So many good memories were spent together Frankie. I remember growing up and watching you and Horacio clown on eachother. Or when all of us as a family would get together at my grandmas house and just talk about good times from the past with all the guys including Lalo. I miss you and love you cousin. Wish I can be there with the fam to tell you goodbye. I know your in a better place and looking over us. You and Lalo will forever be in my heart. Love you primo. - Junior*
