“ We will miss you dearly, Grandpa. Thank you for loving us so much. I'll never forget the fun we had at Swiss Park when we were all kids...some of the best days of my life. Thank you for that.

“ Frank,
I can't find the words to thank you for all you did for me since papa died. I was only 10 years old. You took me by my hand, and guided me throughout my life. Thank you for all your love, advice, being there for me when I needed you. You will always be in my heart. I love you.
