“ *In memory of my youngest brother, Grant. He was always willing to help out, no matter how tough the project was. He adored his nieces and was kind to all the critters. With the struggles he faced, he never gave up hope. He can now be warm and comfortable never to struggle again. Know that you were loved and will stay in our hearts until we meet again. Love Always GB*

Grant McEntee was my friend and neighbor in Simi Valley, CA. I have cherished memories of building forts, playing "Hide 'n Go Seek" in the back yard, and catching pollywogs and frogs in the "Wash" behind our house. Grant was a wild boy! Fearless, and loads of fun. Whenever we played, whatever we did, we ALWAYS wanted Grant on our team!

Walking to church at St. Rose of Lima, going to buy candy at our little neighborhood store, or just reading comic books, it was a great life. Though we were later separated by miles and many years, he will forever be, our "Little Blonde Brother."

No more suffering, no more pain, he's finally at peace... The Bible says, "To be absent from the body, is to be present with the Lord." Because of his faith in his Savior, Jesus Christ, I know I will see him again, "Renewed and restored, every whit whole, from the crown of his head, to the tips of his toes." And Grant will be with the Lord forever...

When Grant took his last breath here, I can only surmise that it was a glorious reunion in heaven when he was greeted and embraced by his father, Robert "Bob" McEntee, who waited 8 years to see his son again. Grant's "ok" now, so may we continue to keep his family and friends in prayer as they deal with the loss of their Son, Brother, Uncle, Cousin and Friend.
