“ My heart is broken. Our deepest condolences to Joey's family. He was best friends with my older brother, Sergio De Alba since high school. To me he was like a big brother, and helped me grow up many, many years. He helped me find a job, and let me couch surf at his place on Lombard St back in 76, until, I got on my feet. I will never forget that true love and kindness.

I have nothing but the most amazing memories of our times together with us De Alba's. He was like one of our family. He went down to Mexico with Sergio one year, and they tore up everywhere they went. He had such charm and a flair for fashion, music and LOVED San Francisco, like I do.

I remember him taking me out of school so I could stand in line to get more Rolling Stones tickets back in 1971 or 72.

His laughter was so distinct and infectious. I can hear him up in heaven now, as we go through these memories.

Love you Joey.

“ *To the entire family my heart goes out to all of you Joey was a very fun and charming guy. He was like a cousin to me. He was very caring and so much fun to be around. I will always remember his bright smile. I will pray for all of you in this time of need. The De La Rosa Family has always been apart of my life. Never knew a day without that Family. My dad Tony Corpuz was hanging out with Uncle Joe Sr. since they were teenagers in the Filmore and the Mission districts of San Francisco in the 40's. This is how The Corpuz Family came to know The De La Rosa Family. With much love and respect. God Bless you.

“ FAMILY..

I WOULD LIKE TO APOLOGIZE FOR MY LACK OF PRESENCE. However, would exert my love and condolence to this misfortune that has occurred. In spirit, I will be there Uncle/Cousin Joe, to grief of your loss, but embrace the person u were to our family. In this time I would like to comfort all of our family and that we help one another through this tough time but to keep strong for one another. Joe, u were such a huge part of the family, especially being the only son of Uncle Joe (your dad) whom we lost to early as well. Joe you were such a pleasant man, whom i always saw with a smile on his face. However, its reassuring knowing that you will now be in a better place, Not suffering. And best part is knowing that you are reunited once again with your father in the heavens above and Mita (FRANCES/ceding).

To aunty Rosemarie, I love you so dearly and applaude to the love and support and strength you have always put forth. Your such a strong woman and I hope u know that you are respected and loved very dearly. PLEASE stay strong through this rough patch. OHANA is family. And regardless to the amount of time or visitation I've had with any one, its consolation knowing we still are a supportive family. Sweet dreams and may your spirit be upon us, God Bless and with lost of love

“ Uncle Joey, I know you're up there in Heaven with my poppa Joe, probably already have a few beers cracked and shaking your heads at our poor Niner's loss last weekend.

You will be missed very much! I hope you know your legacy (your amazing, beautiful WONDERFUL children) will always be looked after by us. I will never see Molly Ringwald without thinking of you and our time at the theater when we went to see her in Sweet Charity. Thank you for teaching me the gift of "good music" at such a young age and for always being "hip" and knowing what's cool and not so cool. I will miss you but know that all I have to do is throw on a Beatles album or go to San Francisco and you won't be far away. RIP, dear Uncle Joey! Love always, your neice, Jennifer Rose

“*Dear Families De La Rosa, Kiick, Scripilliti, and Pabon:*
We send our condolences, prayers and love at this difficult time when we mourn the passing of our dear nephew, “Joey.” We were in practically daily contact with “Joey” since he fell ill. In the final days it was sad and hit us hard but, considering his pain and suffering, the good Lord took him away in time to a better place where there is no such misery. May he rest in peace.
We will always remember Joey as a young, cheerful, and lovable member of our family who graced our lives during his too-short life. Joey, while we mourn your much too early departure, we do so with our faith that we shall meet again on that other side where there is no sickness, disease, or pain. We do not say good-bye dear nephew, friend, father, brother and son, today we say farewell, until we meet again. May the angels carry you away tenderly into your resting place, never to hurt again. We love you Joey! Auntie Patricia Marcella and David Colon
PS. We will be sending a donation to the American Cancer Society in Joey's memory.

“*I have old memories of “Joey” De La Rosa when Sharon and I were best friends in junior high school together. He was such a good looking guy and always dressed nicely, was funny and usually fun to hang out with, as long as he wasn't being an annoying little brother! The photo I posted, was from 1965-66 era and it was the only one I could put my hands on quickly, but it is how I will always fondly remember him.*
