“ I miss you so much my precious Daughter I cant tell you how much I Love you and how much my life feel so empty without you. I will miss the times when I come home from a long day at work how your eyes light up and smile when you see me come home and when I see that everything's ok. I can't say enough how much joy and love you filled in my heart especially when you smile although not so often but when you do its like at least to me winning the Lottery. Oh how I will miss you when you use to wake me up at all odd hours and how you smile when I make things all better for you. I will miss all the curious look you give and how your eyes grow big when you see something new. I will miss the drives we have together just calm you down. But what I will miss most is when your lying on my chest then you look at me and smile, then you put your head on my chest because you feel safe and feel how much Daddy loves you. I miss you Katelyn and I can't wait for the day when I can see you again. I LOVE YOU !!!!!
