“ I was just a young teenager when Kathy and Jimmy were married and had those beautiful twin girls, it was quite a special event in the family. The twins were as pretty as Kathy. We were all sad when they moved away. I remember Kathy as being pretty and with a wonderful smile and those dimples we all wanted. My condolences to Sandy and Tammy and their families. “ *Kathern was my big sister nine years older than me. She loved me but I could be the pesky little sister. She said I always had to practice the piano when it was time to do the dishes. I always thought she was so pretty, with those dimples. She was always so fashion conscious. When I was able to go to San Francisco for a work assignment she came and stayed with me at my hotel on Fisherman's Wharf. We had a ball. I saw her for the last time in 2008. When Bob and her travelled to Branson, Mo. I will treasure the memories of our times together my lovely sister. May God comfort her partner Bob and his family. May God comfort my nieces Tammy and Sandy and their families. So sorry for our loss. Rest in peace my dear sister.*
