“ Auntie kimmy,  
You were an amazing person as well as aunt and I will miss you every day for the rest of my life. You were a big influence on my life from start to end especially when we were little and you had to put up with me Jessica christina Sophia and Johnny. I cannot wait till we meet again with our heavenly father. Tell sticky boy I said hello and remember I love you!

“ Dear Jackie and Robert, though I did not know you daughter, it is still sad when a family member passes away and we certainly do not want that. Life can be good and Life can be bad and we have to take what comes at us with love, caring and dignity. Kimberly will not be forgotten for all the love that encircled her by her loving family. We say, "Rest In Peace" to those who have left us and we hope that any pain and suffering has dissipated. In those words, she is in peace. My thoughts go out to the both of you and to your extended family.

“ *To Jackie and Robert, please accept my heart felt sorrow for the loss of your daughter. What a great shock to hear of her passing. We as parents never want to see our children pass on before we do and if it happens, it hurts even more so. The love you shared with her will certainly be remembered forever. She will be in my thoughts and in my prayers.*
