“ I had the great fortune to share a wonderful dinner and celebration with Laura Lee when Ben received a Lifetime Achievement Award from the California CPA Society - she was clearly a lady of grace and love. She beamed with pride as her son spoke during the award ceremony. Her legacy continues with and through Ben and all that he has created, crafted, invited to share his love love of life and through her love of family I am certain that she is in a wonderful place in heaven and smiling upon all of us.

My prayers and thoughts remain.
