“ I was shocked to find Lynns obituary today. Jan 21, 2018. Lynn and Greg were my next door neighbors in high school. I always had a little crush on Greg but Lynn and Melody and I started hanging out together when I was a junior and they were sophmores and it's not cool to like your friend's brother. We got to be friends when my sister and I ran into Lynn and Melody at a March of Dimes walkathon and became fast friends. Lynn was fun-loving and a little crazy and I'm sad to hear she's gone. We had some really good times together.
