“Manuel and I were friends and classmates back in the 1980's. I remember him for his quick-witted sense of humor and boisterous laugh. He took his studies very serious, had a passion for sports & after-school activities, and always had time to joke with friends. I admired Manuel in those days as a well-rounded / balanced individual with a heart of gold. I haven't spoken to him in over 25 years, but know he continued to work hard and lived a good decent life until his recent passing. You'll be missed old friend. Thank you for the memories.”

“I was deeply saddened to hear of Manny's passing. He and I were classmates, involved with the school band together and friends. Whenever I think of him, a clear picture of his smile and laughter is what comes to mind. He was a caring soul that touched all who knew him. I am so very sorry for your loss. You and your family are in my prayers.”
