“ *Maggie my sweet, sweet Maggie. As you know this is very hard for me to put myself out there but I feel your presence by me and letting me know this is ok and it will be ok. Just like you have on many occasions and stated " You be you, doesn't matter what no one else's says ". I miss you, I do. I love you that's for sure, and I feel a little less of myself now that your on the other side. But most importantly I know you are finally in peace, dancing around, eating some sweets, smoking a cigarette and cooking like you loved to do. That was just you. YOU BEING YOU!!! I will always remember you, I will always love you, I will always believe in your spirit around me. I can not wait until we meet again, look at one another and just know our smiles always will equal LOVE. Rest in paradise my beautiful angel. Now go have some Fun, and yes that's an order :).*
