“ Gee Mark, Many a times you come to mind because life shares many moments, hours, & days with good friends. We really had a history in life that brought us together. You gave me many smiles Mark. You gave George & I a wonderful litter of German Shorthair puppies, you also had a great pick of the litter. I pushed Schultz to the back because I did not want you to pick him. You knew. Thank you Mark. Siger was the perfect dog to breed with Sara. In such a short life I am positive you gave alot of people your true heart. May you be at peace, rest Mark. :)

“ It seems like just yesterday when I was walking down the path in Fremont and ran into Mark and Ken Johnson. It was a hot day so I asked if they wanted to come by and go swimming. From that day forward, we were thick as thieves for the next four or five years. We did everything together and I will always hold a special place in my heart for both of them. My thoughts are with the family, Mark was a special guy, and it was a privilege to know him. Steve Sams
