“ *The world and our families have lost another great man. I will miss the great visits with Uncle Mark, where you'd share a smile and a thought or even a funny tale. You could tell how much he loved his family as his eyes would brighten while telling us stories of all his children and family. My prayers and heart go out to the family in this sad time. May you rest in peace Uncle Mark until we can all reunite with you on the other side.*

“ *When I first met Uncle Mark it was at his sister's Margaret house. From the first moment I met Uncle Mark; it was as if we had known each other for years. He treated me like family. After visiting with Uncle Mark a couple times; I noticed his great sense of humor, his kindness and great heart. I believe Mark never met a stranger. It was my honor to have known Uncle Mark. My thoughts and prayers are with you and may God bless and comfort you in this time of sadness.*

“ Dear Aunt Raylean & Family,

*I want you all to know that I/we love you all very much. Uncle Mark will always have a special place in my heart. I will always remember him with love, laughter, gentleness and kindness....and some of that Busch silliness too! Please know that even though the miles may separate us, the love of family is never far away. Love and hugs to you all. May God bring comfort and peace to all of you. We love you!*
