

Mary Ann Salugsugan

May 15, 1953 - March 28, 2017

On the afternoon of March 28th, 2017, God decided He needed another angel and opened His loving arms and welcomed Mary Ann. Family and friends were with her as she began her journey to family and friends whom have gone before her. Mary Ann devoted 35 years as a Registered Nurse bringing comfort to patients and family. She worked as a patient advocate for family, friends and strangers. Her passion for her patient's well being serviced and prepared her for her own battles. Her numerous battles over the last number of years truly tested her warrior skills. We are all better and stronger for knowing her. We will remember her with love in our hearts.

No memorial services will be held. Donations in lieu of flowers, as a tribute to Mary Ann's life, can be sent to: Bay Area Cancer Connection 2335 El Camino Real Palo Alto, CA 94306

“ My condolences to Marvin and Mary Ann's family and friends. My godmother will never be forgotten and she will be missed! She was always so kind and generous to me and my family, and I will always remember her and Marvin being so happy for me at our wedding in 2008. God bless her.

“ I'll miss you in day,... The times growing up were so special... I think about that often.... You battled everyday with this horrendous disease by God's grace... I also appreciate the recent times we talked about God and His Son Jesus and His Word.... I could see you were hungry for the Truth.... luv, your youngest brother..... Isi
