“ I was only able to meet Michael once, and that was at Mike and Deborahs wedding, but I had a great conversation with him. I am a pilot and we had a great talk about aviation! He was a charming man and obviously a great husband and father. All our love to family and friends!

“ *My heartfelt and deepest condolences to your family on the loss of Mike. I worked with Mike for several years at United's APU Shop. He was one of the best guys I have ever known - solid, down to earth, genuine, caring, and a great sense of humor. It was the end of an era when he retired from United. It was always a joy to see him and reminisce when he came by and visited the shop. It was a privilege to have worked with and known Mike. He will be greatly missed!*

“ I am deeply saddened to hear of the lost of a great friend and coworker. Mike was a great person and one of the best supervisors I had for many years. When he had to be absent from work, he trusted me to take care of the shop, and had plenty of confidence in me. I have learned a lot from him, and I am very grateful that he encouraged me to move to management. I will miss him very much, and my deepest sympathy to Donna and family, and may God comfort you.
