“ *Words seem inadequate to express the sadness felt for the loss of our friend Whitey. His passing will not only leave a void in our lives, but in the hearts of all those who knew him. Although it's difficult today to see beyond the sorrow, may looking back in memory help comfort his friends and family tomorrow.*

“ It was a beautiful spring day and I was on my way to the NewEarth with a Philly cheesesteak sub and a six pack of Bud. Time to catch-up with Mike. Sitting in his trailer Mike was beaming as he talked about the love of his life Stella, his kids and the nursery. He was proud he served his country, and always was there to help a friend. He said " Petunia I don't sell to the public but I do sell to friends". Great smile, big heart and a true friend. Your "little flower" will miss you Mike. Thank you for being you!

“ Mikey, I still cannot believe you are gone, its so not real and so unfair! I have a photos of you and I and you and my kids, in my digital picture frame and for some reason it seems that you appear much sooner on the frame, than you used to. Maybe your trying to send me a message...you did make me a promise, so you better be up there watching over her. Actually we all need you watching over us right now, cause everyone misses you more than you could imagine. So while you and Maggie are up there, drinking your beer with tomato juice, playing golf with your purple polo shirt and watching your Giants win this season...keep an eye on all of us, cause we sure do miss you. As you tell my boy's...Love You Man!!!

“ Words cannot describe the type of person YT was. And so words also cannot describe the loss and shock we are all feeling right now. I know there?s nothing I can say or do to make this better, but please know my thoughts and prayers are with all of you in your time of sorrow.

“ Whitey!

We appreciate all you've done for us and with us over the last 20 years. My boys are lost in words, and in my book that means you made a great positive impact.

The next time I crack open a beer I'm going to try your tomato thing :-)

*Love ya man!

“ *Whitey was a good friend in high school. We were on the golf team together and and were friends off the links as well. I think about him a lot and had hoped to touch base with him out at the nursery. I'll miss him. My sympathies to Mike's family.*
