“ *Michele was my best friend growing up. We met when I was in the 6th grade and still were close up until the day of her passing. I will always miss her. We had many great times together that I will cherish forever. We spent many hours roman the hills of Garin park growing up. From card board sliding to celebrating birthdays. She was part of my family. My parents would always take her with us when we went camping ever summer. We did everything together. We went to many concerts together. Michele loved music. Always wanting to have a goodtime. She loved her kids also and talked of them often. She will be missed. I'm sorry she had to go so soon. Rest in peace my friend, my sister. See you in heaven. Love your true friend Sherry.*
