“ Mitul "Sosa", there are no words to describe how big your heart was. You truly were one of the most kind, happy and loyal people I've ever met. You put your friends before you, only wanting them to be happy. You were there for me when I lost my dad, making sure I was okay when you yourself were going through your own battle. I'm so very thankful to have gotten to know you and to call you my friend. I remember when you sucked at pool, and then all of sudden you were pretty damn good. I'm going to miss you lots, and so many others are too. You are resting in paradise now and your soul will be my daily reminder to always continue to have a positive outlook no matter what. Love you Samosa, sos, Sosa! :)
