

## Natividad Huerta

April 4, 1919 - January 23, 2021

It is with the saddest regret that we announce the death of our dear father, grandfather, great-grandfather and great-great-grandfather Natividad Huerta Escalera who was a resident of Union City, CA. Natividad “Don Tivi” as he was known by those closest to him was born April 4, 1919 in Aguililla, Michoacan in Mexico and died on January 23, 2021 at the young age of 101. He is predeceased by his wife Carmen Huerta Gutierrez and his son Javier Huerta Gutierrez. Don Tivi always enjoyed being around his family which included his 6 children Alicia Huerta, Eliezer Huerta, Herminia Huerta, Armando Huerta and Christina Buiza Huerta, 25 grandchildren, 54 great-grandchildren and 26 great-great-grandchildren. We were blessed to have him for so many years and will continue to remember him as we listen to his favorite singers Las Jilguerillas and his favorite song, “Cuando ya mi cuerpo esté junto a la tumba, Lo único que pido como despedida, En las cuatro esquinas de mi sepultura, Como agua bendita que riegan tequila, Yo no quiero llantos, Yo no quiero penas, No quiero tristeza, Yo no quiero nada, Lo único que quiero es alla en mi velorio, Una serenata por la madrugada”. Due to COVID-19 restrictions the viewing and funeral services will be strictly for family. If you would like to send flowers his viewing will be on Thursday, February 11, 2021, starting at 3 PM, at Fremont Chapel of the Roses, 1940 Peralta Boulevard, Fremont, and burial will be on Friday, February 12, 2021, at Alta Mesa Memorial Park, Palo Alto.

“ A favorite story that my mom likes to tell me about my grandpa is when he took me to get my first haircut, a short bob after having long hair, I think I was about 3 or 4 years old. I would love getting my small suitcase ready every weekend because I knew my Abuelito was going to pick me up to spend the weekend at his house. This time when my parents came to pick me up and I had a 'new look' and my dad was furious with my grandparents because they did not ask my parents for permission to cut my hair! LOL!! I still rock my bob and I credit my Abuelito for finding 'my look'!!

*Ty for sharing. Beautiful memory prima 😊. The memories I have are of my Grampa is how tight he used to squeeze my hand every time we visited when they lived on chestnut. I loved going there and playing on the side bushes and hanging from the thick metal bars the had in the back. 😊*
