“ *Norene was an amazing person. As a loyal member of CHADD, she was devoted to her family and always had her sons' best interest at heart. She was a fountain of resources and offered many supportive suggestions for organizing meetings and finding speakers. She was also a wonderful friend who was always willing to listen with an open heart when the going got tough. She will be missed by all! My heart goes out to her family. Shari Gent*

“ Bruce, Anthony and Timothy,

When Noreen joined the family, she did so completely. She came to every family function whether that be a single visiting family member or attending a family reunion. She was always involved in conversation or helping to prepare meals. All the time she brought her lovely smile and compassionate heart. Her presence will be missed. Thank goodness her spirit will live on in the three of you.

Our love goes to each of you during this very difficult time. Please feel welcome to reach out to us if there is something we can do for you.
