“ Alma, DD, & Andy - it was so nice to see you all today as we paid our respects to your beautiful Madre - sharing our childhood moments is always so beautiful and to share the love our Moms had with and for each other. Your Mom always greeted us with so much love and your Dad was such a loving, welcoming man - they raised a beautiful family and I know they are both very proud of you all and the love you share with each other - your parents have left a beautiful legacy - their spirit will live on!!! Thank you Olivia for all the love you gave us and the beautiful memories you engraved in our hearts!!!
