“ To all relatives and friends, thank you for sharing good memories of my dearest PAUL.

No words can express the sympathy I received from each one of you, even though we know how difficult our situation is because of Covid19. I am grateful for the comfort, prayers, and kindness. All are deeply appreciated.

Since my dear husband Paul's passing, I feel lost everyday, and it's getting harder and harder. I asked God a lot of questions. Why did He let this happen to us? Why didn't He give a me chance to say goodbye when Paul can still hear my voice? I feel so lost everyday. But as I read all the messages, all the pictures and memories you shared, I am reminded of how Paul had influenced our lives.

God always makes mysterious way to comfort His child, and He uses all of you so I wouldn't be alone. Now, I understand that He just gave me some time to talk to my husband alone.

Thank you so much for the love and care. I truly appreciated the warm words of comfort. You are all so kind.

Sincerely,
Phey Tallarico

“What an absolute wonderful human being Paul was. I will always remember his countless ways of making me laugh. He had a great sense of humor and a friendly and kind demeanor. I can still remember him telling me at Ryan’s recent house warming party, to “simply just enjoy life!” It was just me and him. We were outside of the front door, the two of us just hanging out! Breaking bread ...Without any alcoholic beverages needed. Lol! (Joke for Paul) I also liked how he respected my automotive hobby. He understood that I was a car kind of guy and I was fortunate enough to gain his trust and drive his car that day. He was speechless when I knew how to use all the functions of his luxury vehicle.... Or maybe he was just speechless because he was concerned that in reality I was actually driving his car? (Another joke for Paul) Lol!

My dear friend Paul and I shared conversations like no other. From providing me history lessons, motivation, educating me on life, sharing his life experiences, hobbies, his love for trains, his love for family, friends, and of course his ever lasting love for his lovely wife, Phey.

Me being a “tad bit” younger than him, currently at 37 years of age, Lol!(I can picture him laughing out loud at this comment) He never once judged me for who I am, how I looked with tattoos, how at times we agree to disagree on certain topics, and he never once criticized my goals and accomplishments in life. He was an optimistic person who always had a positive attitude.

I will always hold his friendship and memory deep in my heart and he will forever be missed. May you rest in peace my friend.

“ This photo was taken on June 2011, when my good friend Paul attended my graduation party. I've known him for about 10 years through my best friend Phey. He's been mentoring me especially regarding my relationship with my fiancé. I remember, the last time I saw him was when I was looking for my wedding venue, and he told me he was very excited to witness our wedding. I will miss our long conversations, his trust on me fixing his computer, and his funny jokes. I am grateful to be able to make a tribute video for his birthday on the 16th of April, 2018. Rest in peace, my dear friend. We'll take good care of Phey.

“ Dear Phey,
My love and deepest sympathy in the loss of your dear Paul. The following is a short version of my prayer to you...
“I am home in Heaven, dear ones;
Oh, so happy and so bright!
There is perfect joy and beauty
In the everlasting light.

All the pain and grief is over,
Every restless tossing passed;
I am now at peace forever,
Safely home in Heaven at last.”

“ I extend my deepest sympathies to the family of Paul. My fiancé, Ryan, have told me a lot of good things about Paul & Phey, how they have been there for their friends. I wish I had the chance to meet such a great man.

Heaven received another angel in Paul. May he rest in peace, and may the Lord bring the family, especially our dear friend Phey, much-needed peace during this sad time.
