Paula was known as a very loving and caring individual. An extremely humble person who loved all and was so loved by all she came in contact with Paula had a genuine love for all she met. Many of Paula's children often heard the following from people who encountered their mother:

"Your Mom is so cool!"

And they were right. Our Mom is cool, and Heaven is finding that out this very minute 😊

Everything about my Mom was cool... From the many aprons one would find her in on any given day, to the perpetual “pen” that could be found attached to my Mom in the form of a necklace. That was our Mom’s style! And it was cool!

In addition to being very cool, Paula has a lifelong list of accomplishments including her 55 years of marriage, a college degree in Liberal Arts, and a teaching credential for adult education. Paula started her career as a nursing assistant in 1971, and also worked many years teaching adult education in the tri-city area. Paula was also a very talented classical piano player, who studied at the San Francisco conservatory of Music. Her playing was admired by all who were lucky enough to hear her

Paula also LOVED tennis, and played or watched it religiously for much of her life. In fact, Paula was watching the Wimbledon Tennis Championships the day/night before she passed. .

Paula will be so missed by everyone.

In lieu of flowers, please make a donation to one of Paula’s favorite charity: Viola Blythe Community Services. A non-profit serving the poor in the Tri-city area and beyond.
