“ *Grandpa, I miss you a lot. I still can't believe you are no longer with us. You have always been such an important part of my life. I loved watching movies with you, bringing you my dad's mole and lasagna, spoiling you with all your little treats I would have to sneak to give you and just sitting next to you hearing the stories you would tell me. I remember when I was little how you would always carry me and play with me. I have so many wonderful memories and those memories are what will help me to keep moving forward. You are in heaven now, and with your awesome personality you are surely already making friends with the angels and making the sky brighter with your wonderful smile.*

Rest In Peace my precious Grandfather.

*I love you and misss you so much!!! We will see each other soon!!!
Watch over your family!!*

*You Granddaughter

“ *I knew you very little and even though Goodbyes are often hard to say,
they hurt so very much.
Though you're not gone.
You still remain,
in the minds, of all those hearts u touched with ur grace ..

“My dearest father in law, you will be missed so very much. You did so much for Rudy, me, Xavier, Erica and Anthony. We are so very grateful for everything you did for us. I will always treasure all the beautiful memories you have left us. I remember how happy and proud you were when you would show me and talk to me about your roosters, about your growing up and how proud you were of your parents. You left a void in our lives but all the wonderful things you did for all those you loved and all the memories you left us will always be in our hearts. It won't be the same without you. Rest In Peace my wonderful father in law. Father, Grandfather and Great Grandfather.

“Heaven has received another angel
The night sky another shining star
I can already see you making many friends
With all the angels in heaven
I know you will never be far
I know you are watching over me
As my life continues without you
You taught me so many things
Which I will use to make me the man
You would be proud of
I will treasure the memories I have of you
I can't believe you are no longer here
You were a loving, caring gramp
My consolation is that you will always be near
You were there for me for as long as I can remember
You will always hold a very special place in my heart
A truly loving special spot
You were one in a million
A cut above the rest
Everyone that knew you would agree
That you were truly the best
So gramp the time has come to say goodbye
I love and miss you with all my heart
You have left me so many precious memories
Which I will always treasure
As those memories are what will forever
Keep us from being apart.

Rest in Peace Gramp
