“ One thing that I want to say about Rolando is that he made the best Filipino Adobo. It ut in the wasn't just adding the meat and the seasoning, but in the way he added the vegetables and potatoes that his adobo made a difference. And he truly enjoyed making it for his family and friends. Just recently I was thinking of Rolando's adobo when I had passed by a Filipino restaurant, its not the same. So this is one thing that I'm going to miss about Rolando, and I'm quite sure that his family will miss his adobo as well.
