“ Ron - Although I will not be present to say good-bye, I have many fond teen-age memories spending time with you, Dee-Dee and your family. I must say you always left a smile on my face with your robust sense of humor and laugh. Although I was not sure if you particularly liked me at first while in high school, I later came to found out you really did love me as Diane's dearest friend & that you knew I would always be there for her anytime. You were a strong man and loved by your family; you were always surrounded by many friends and loved over the years. You will be missed ~ I say goodbye now but never forever.
