“ MAY 1990. Took Melinda to meet Grandma Doe in Iowa. 4 generations. Mom, Grandma Doe, Melinda and me. Grandma lived at a assisted living facility. Those 2 weeks they had a baby farm zoo and of course a clown. Melinda was so happy with the animals, petting, feeding them with Mom. All of a sudden the clown came up to fast to Melinda, she ran right *BETWEEN* mom's legs and then stayed behind her. Mom had to take the balloon from the clown but Melinda wanted no part of it as you can tell from the picture.. Took mom's hand to lead her back to Grandma Doe and myself.

“ May 1990. 4 generations. Mom, Grandma Doe, Melinda and me. Went to visit mom and grandma for Mother's Day. Grandma Doe met her great Granddaughter Melinda. They had an animal farm where grandma was living and mom would help Melinda feed the baby animals. We had alot of fun for 2 weeks. Laughed so hard because Melinda would run between mom's legs when the animals got close.

Had to read Melindas baby book, it was the clown that scared her. The piglet and the kid was chasing her and making her laugh.
