“ *I was a Purchasing Agent for a business so I ordered everything including Office Supplies. So I bought Office Supplies from several companies. So I bought from a company here in Fremont and it turned out that I talked to Sandy. I didn't know her but one day, I had to give Sandy my address. Turned out that Sandy lived on the same street that I do. Small world. Everybody called her "Tiny" but I had not met her before then. So after we talked, we did get acquainted but I never called her "Tiny", she was Sandy to me. Sandy will be missed on our court.*
