“ Seth was a very dedicated father to four children....one daughter and three sons. He taught them to ride dirt bikes...about land surveying and hard work and dedication to ones dreams. I love u daddy to our babies...I miss our friendship...and I will remember all the years spent together. You have been a part of my life since I was 15... We had a daughter when I was almost 18. Married at age 22...Twin sons at age 22...and another son at age 24...and a lot in between and until now. You live on in all of us and the waves of the ocean and the whoops of the jumps and the housing developments u helped build...love u
