“Gail, I truly hope this finds you well and holding up over the loss of your beloved sister. I know firsthand what a difficult and painful time it is.

I had an opportunity to visit her in the hospital and at her home. Your sister and I were very close. We always had a good time laughing and talking about old times. She often spoke about how greatful she was for you, Jason, Ryan and how nice your husband was to her over the years.

I am reminded of the bible passage that says "Blessed are they that mourn for they shall be comforted" I hope that you find that comfort and that your faith will guide you thru this difficult time. My prayer will continue as I ask God to bless you and your family. Love Linda
