“ I grew up on a very nice court in Fremont, and as an adult, moved back to my childhood home with my husband and daughter. We were lucky to have Teri and Mark as our across the street neighbors. I loved Teri's friendly, positive energy, her straight forward ways, and her care for her family, especially her husband and grandchildren. I will miss our neighborly chats, Teri, and am comforted that you are among the angels, watching over us. 💕💕

“ You are now with Grandparents, your Dad, Uncle Joe, all the ones that held you and loved you. You grew up to be very independent and determined to succeed at any task you put your mind to.. You did go through some troubled times, but that never slowed you down. You had the biggest loving heart. I know there are some young men that turned out to be successful in life due to your sacrifices and kindness to them.

*I'm great full for the time we had together, I just wish it could have been longer.*

*Love Mom*

“ *Mom, I love you so much. I am at a loss greater than I can fathom. I will carry you in my heart forever. I am so grateful for our friendship and the unconditional love you always gave me. You were the best. I can't imagine my life without you, and I know you will be with me in spirit. I'm so sad. I just want to call you, see you, hear you...but I still feel you. Thank you for your strength, wisdom, perspective, love, and for always being there for me, no matter what.*
