“ Tommy, Even when we were growing up I knew that you were one of the Special Ones, the kind of person who makes differences in ours lives. It was also fun know'n you as an adult, you were the same sweet man & it was fun show'n you the Escrow side when you got into Real Estate. This world has already changed somehow without you here. May God hold and keep you as He shines His love on you as you Fly With the Angels..you'll forever be in my heart and I'll forever miss you Tommy... Love Linda

“ Tommy, You came into my life with a bang! Such a lively, fun loving guy and!! a fellow Niner fan! But, more importantly, a fellow brother in sobriety. We went to meetings together, played sober softball together and just enjoyed our new lives in sobriety. Time went on and we traveled different roads. You are now with your heavenly father. No more pain, no more tears... As I look at your face and smile right now, I realize what I have to look forward to in the afterlife. Who loves me Baby?? You do Tommy!!

“ My Heart goes out to the Family, I knew Tom When he was a young 12 year old and he was a handful then, since I was Dating his Sister. Ran into him Again At Century 21 when I listed my House in Fremont for sale and turned out to be a Fine Man.

“ It was a great pleasure knowing such a bright uplifting person. Always treated me right. Always gave me a warm hand shake. This is such sad news, I know he was sick however, this was very unexpected for me. It saddens my heart to know that he past away, but it's good to know that it was at his home and went away in peace. Please excuse my absence tomorrow...but please my condolences to the rest of the Armenio Family. You have all been a great part of my life. Sincerely George Arias
