There are so many lives she touched in a positive way...

So many stories about how she made a difference or made someones's day..!!

“ *Our relationship with Toni and the family is small. However, Toni's talk during the Women's Conference AND Phil's talk during the Men's Breakfast have made an impression on our family that is deep. The Barton Family has quietly touch our Family's heart & soul. Not a day goes by without a Barton thought. We pray for a peaceful rest in your hearts and look so forward to our eternal relationship.*

“ *Wishing you and your family healing during this difficult time Phil.*

I hope you know that you can count on us for anything, so just reach out and we will be there for you. You and Toni had 20 loving years together and a lifetime of memories (minus our first double date of course, I hope that brought a slight smile to your face).

You have two wonderful boys and your strong faith has sustained all of you throughout this journey.

God bless and see you at the service.

“ I did not know Toni well, unfortunately. I regret that. She spoke at the Women's Retreat, and I was deeply touched. She leaves a beautiful legacy, and I look forward to when I get to see her again.

“ A loving wife and mother who will be greatly missed. While we have lost a wonderful person here on earth...we now know that there is a special angel who will watch over Phil and the boys. How lucky they are. Toni, I thank you for sharing your birthday last year with us! It was special to begin with, but knowing what we know now...I am honored that you took the time and spent it with us. Thank you! Rest in peace and light.

“With luck and joy I met Toni. Toni, you were my rock and a great friend. I enjoyed our many hours of talking. The support you always showed me. The joy we shared on "Play Dates" with the boys. Our many excursions and adventures will live in our memories forever. You will remain in my heart, right next to Phil, Bryan and Christopher. May peace come to your entire family and all those who were so lucky to have shared you. You will be missed so much my friend. My deepest condolences to your family and to all who loved you so much.

Your friends, Lorrey, Steve and Nicholas
