

Vernon Robert Kennerson

January 28, 1929 - February 13, 2013

Putt Kennerson, peacefully passed away on Ash Wednesday, February 13th. He was a wonderful man who was totally independent at 84 years until the last two months. He married the love of his life at 21, JoAnn Marchand. They had two daughters and a son, 5 grandchildren and 4 great grandchildren. We all adored him, he was a wonderful father and husband.

For years he was the Vice President of a large corporation. Along with that he also built five nightclubs in the 70's. As a hobby, he wrote children's books under the brand name of "Love Stories for Children". His latest book is due in electronic book stores all over the world in April. He was very excited about that! We want to mention what a wonderful girlfriend Katherine Gonsalves has been to our dad and our entire family since our mother passed, we all love you. Thanks for everything dad, and we'll see you on the other side. Until then, we'll miss you!

Funeral Mass will be held on Saturday, February 23, 12pm at Holy Spirit Catholic Church, 37588 Fremont Blvd., Fremont, 94536. Burial to follow at Irvington Memorial Cemetery in Fremont.
